

UNDERTAKING

Undertaking

TO PROVIDE LIST OF UTILITIES AGAINST WHICH HYDRO ONE BENCHMARKS, AND EXPLAIN WHICH UTILITIES ARE USED FOR EACH OF THE THREE TESTS.

Response

In order to monitor performance, Hydro One benchmarks its performance against Canadian Electricity Association member utilities as follows:

Operations -

Altalink, ATCO, BCTC/BC Hydro, Hydro Quebec-TransEnergie, Manitoba Hydro, Brookfield Power, Fortis BC, Maritime Electric Company, New Brunswick Power, Newfoundland & Labrador Hydro, Nova Scotia Inc.

Financial –

BCTC/BC Hydro, Hydro Quebec-TransEnergie, Manitoba Hydro, New Brunswick Power, Newfoundland Power, SaskPower

Major Project execution – we do not benchmark execution of major projects.
