Dear Ms. Walli:

**Re: EB-2010-0008 Ontario Power Generation Inc. 2011-2012 Payment Amounts for Prescribed Facilities - Impact Statement and Evidence Correction**

I am attaching fourteen (14) copies of an Impact Statement, Ex. N1-T1-S1, that provides the impact of three changes since OPG filed its application in May 2010. OPG is not revising its request for payment amounts or payment riders.

In addition, I am attaching one correction to the pre-filed evidence. Pages 3 and 7 of Ex. A1-T9-S1 have been changed to reflect the reassignment of Interrogatory L-02-005 from the Nuclear Refurbishment Panel to the Variance/ Deferral Accounts; Payment Amounts; Regulatory Treatments Panel.

OPG submitted these documents on the Regulatory Electronic Submission System ("RESS") on September 30, 2010. This material will be available on OPG's website by October 4, 2010 at <http://www.opg.com>.

Yours truly,
