Dear Ms Walli:

**Re: Enbridge Gas Distribution Inc. ("Enbridge")  
Leave to Construct – Torbram Road Pipeline Relocation Project ("Project")  
EB-2010-0241 – Application and Evidence**

---

Enbridge is submitting to the Ontario Energy Board (the "Board"), an application to replace an existing pipeline at Torbram Road, at the request of the Cities of Brampton and Mississauga, in the Region of Peel.

The Environmental Screening Report ("ER") for the Project was submitted to the Ontario Pipeline Coordinating Committee ("OPCC") on July 16, 2010. Having satisfied inquiries from the OPCC membership, the OPCC acknowledged on September 21, 2010 that the OPCC had completed the formal review of the ER. In the enclosed application are the ER at Exhibit B, Tab 2, Schedule 2 and the OPCC acknowledgement at Exhibit B, Tab 2, Schedule 4.

This submission has been filed through the Board's RESS, with two copies being delivered to the Board by courier. Enbridge's Torbram Road Project Application will be available on the Enbridge website at [www.enbridgegas.com/torbramroadproject](http://www.enbridgegas.com/torbramroadproject), on October 1, 2010.

Sincerely,

Edith Chin
