**TRANSCANADA PIPELINES LIMITED
APPLICATION FOR INTERVENOR STATUS**

1. TransCanada PipeLines Limited (“TransCanada”) requests intervenor status in the proceeding for adjudication of the Application.
2. TransCanada is a company incorporated under the laws of Canada.
3. TransCanada owns and operates a high pressure natural gas transmission system that extends from Alberta to Ontario and through a portion of Quebec, connecting to various downstream Canadian and international pipelines (the “Mainline”). The National Energy Board regulates TransCanada's operation of the Mainline.
4. TransCanada transports natural gas on the Mainline on behalf of others for use in the Canadian domestic market and for export from Canada to the United States.
5. TransCanada holds M12 and C1 transportation service on the Union Gas Limited (“Union”) system. TransCanada uses this capacity to provide integrated services on the Mainline. TransCanada has an interest in matters that may affect the rates or the terms and conditions of service on the Union system.
6. TransCanada reserves its rights to participate in all aspects of the proceeding, including evidence, interrogatories, cross-examination, and argument.
7. TransCanada requests receipt of all pre-filed material and any further notices or other material that may be issued or filed in connection with this proceeding. The names, mailing and electronic addresses, telephone and facsimile numbers of TransCanada representatives are as follows:
