Dear Ms. Walli:

**RE: Union Gas Limited ("Union")
Sudbury Replacement Exemption Request
EB-2010-0154**

We refer to the Ontario Energy Board's Decision and Order as issued May 13, 2010.

We have been advised by the City of Greater Sudbury that they will not require Union to relocate its pipeline along Maley Drive in 2010. A copy of the correspondence received from the City of Greater Sudbury is attached for your reference.

Union will keep the Board informed of any further progress in this regard.

If you require additional information, please contact myself at 519-436-5457.

Yours truly,

William Wachsmuth

Good morning Don,

As noted during our recent conversations, the City of Greater Sudbury will not be requesting that Union Gas relocate their plant in conflict with the Maley Drive extension in 2010.

At this point the City has not yet secured funding for construction of this project.

The City will continue to keep Union Gas updated on this project, including the proposed construction schedule.

Thank you for your patience.

Regards,

Dave
