Ms. Anne-Marie Reilly  
Senior Regulatory Coordinator  
Research and Administration  
Hydro One Networks Inc.  
483 Bay St., 8th floor  
Toronto ON M5G 2P5

Dear Ms. Reilly:

**Re: Hydro One Networks Inc.  
Leave to Construct the Bruce - Milton Transmission Line  
Board Order EB-2007-0050**

The Board has received correspondence alleging that Hydro One Networks Inc. ("Hydro One") is in violation of Board Order EB-2007-0050. Specifically, it is alleged that Hydro One has started construction activities on the Bruce-Milton transmission line prior to obtaining all of the necessary approvals, in violation of the Board Order.

In accordance with condition 2.4 of the Conditions of Approval attached as Appendix C to Board Order EB-2007-0050 dated September 15, 2008, I am requesting that Hydro One provide me with the following information:

- i. an update on the status of the Bruce-Milton Transmission project;
- ii. details of any construction activities that have taken place; and
- iii. reasons for carrying out the construction activities, if any.

Please provide the above information to the undersigned by Friday October 8, 2010.

Yours truly,
