Pursuant to Procedural Order No. 3, a Technical Conference is to be held tomorrow, Wednesday October 6, commencing at 9:00am in the Board's offices.

The Technical Conference was scheduled in the event parties had questions on the Board staff Report on the Rural and Remote Rate Protection Mechanism (the "Report").

Parties are in receipt of the Report and have been canvassed on the need for the Technical Conference. No party has indicated that the Technical Conference is required.

Accordingly, the Technical Conference originally scheduled for October 6, 2010 is cancelled.

Yours truly,
