

EB-2010-0238

IN THE MATTER OF the *Ontario Energy Board Act, 1998*,
S.O. 1998, c. 15, Schedule B;

AND IN THE MATTER OF an application pursuant to
section 74 of the *Ontario Energy Board Act, 1998* by
Bluewater Power Corporation to amend electricity
generation licence EG-2007-0656.

By delegation, before: Jennifer Lea

DECISION AND ORDER

Bluewater Power Corporation ("Bluewater Power") filed an application with the Ontario Energy Board pursuant to section 74 of the *Ontario Energy Board Act, 1998*, to amend the name appearing on electricity generation licence EG-2007-0656 from Blackwell Renewable Energy Inc. to Bluewater Power Renewable Energy Inc.

The application was received by the Board on July 9, 2010 under the applicant name of Bluewater Power Distribution Corporation, but the applicant submitted a revised application correcting the name of the applicant to Bluewater Power Corporation on July 29, 2010.

The licence amendment is granted.

Reasons

The applicant stated that Blackwell Renewable Energy Inc. is 100% owned by Bluewater Power Generation Corporation, which is wholly owned by Bluewater Power Corporation.

The applicant also stated that Blackwell Renewable Energy was established in June 2007 as a single-purpose entity to own generation assets at the Blackwell Landfill site. Since then, the company plans to own interests in other electricity generation projects elsewhere in Ontario. It was determined that a more generic name was more suitable for the company. The applicant filed a copy of the Articles of Amendment as evidence with respect to the name change.

The applicant indicated that with the exception of the name change, all other information pertaining to the existing licence remains unchanged.

The applicant requested that the application be determined without a hearing, and stated that no parties will be adversely affected in a material way by the name change.

I have proceeded without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding and the applicant has requested that the matter be disposed of without a hearing.

IT IS ORDERED THAT:

Electricity generation licence EG-2007-0656 is amended as requested. The amended licence is attached to this Order.
