Dear Ms. Walli:

**Re: Pollution Probe – Request for Late Intervenor Status and
Issues List Submissions
EB-2010-0146 – Enbridge Gas – 2011 Rates**

We are writing to request late intervenor status on behalf of Pollution Probe for the above noted matter as we only recently received instructions regarding this matter. Pollution Probe does not object to Enbridge Gas providing any comments regarding this intervention within a reasonable time, and Pollution Probe agrees to abide by the current schedule as detailed in *Procedural Order No. 1*. We also provide Pollution Probe's submissions regarding the draft Issues List as part of this correspondence.

With respect to the intervention:

- I. Pollution Probe intends to appear and participate at the hearing or hearings.

On behalf of its members, donors and the general public, Pollution Probe intends to support aggressive promotion of energy conservation and energy efficiency, including through DSM as well as cost-effective fuel switching and system expansion. Pollution Probe may identify other interests based on its review of the materials.
- III. Pollution Probe requests two copies of the pre-filed evidence/materials, one to be delivered to Murray Klippenstein and myself as counsel for Pollution Probe at the law firm address above (e-mail addresses: murray.klippenstein@klippensteins.ca and basil.alexander@klippensteins.ca), and one to be delivered to its consultant,

Jack Gibbons of Public Interest Economics. Electronic copies are sufficient, and we also request that both counsel (Mr. Klippenstein and Mr. Alexander) and Mr. Gibbons be listed on the intervenors' list under Pollution Probe, since this makes the later distribution of updates more effective.
