BY EMAIL & COURIER

Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge St, Suite 2701
Toronto ON M4P 1E4

Dear Ms. Walli:

Board File No. EB-2010-0074
Chatham-Kent Hydro Inc. – 2011 3rd Gen IRM Application
Energy Probe – LRAM/SSM Recovery Rate Rider

It has been brought to the attention of Energy Probe Research Foundation (Energy Probe) that, in the EB-2009-0261 proceeding, there was an error by the Applicant in carrying out the Settlement Agreement in respect of the deferral of LRAM/SSM recovery, resulting in the recovery occurring one year earlier than agreed. Chatham-Kent Hydro brought this error to the attention of the Board in its prefiled evidence in the current proceeding.

Energy Probe appreciates this matter being brought to its attention. After consulting with our consultant, Mr. Randy Aiken, Energy Probe has decided that this matter requires neither further action nor intervention on its behalf.

Should you require additional information, please do not hesitate to contact me.

Yours truly,

David S. MacIntosh
Case Manager
