Attention: Ms. Kirsten Walli
Board Secretary

Dear Ms. Walli:

Re: Submission on Draft Issues List, Procedural Order No. 1, EB-2010-0146, Enbridge Gas Distribution Rates for 2011

Following is my submission on the above Draft Issues List in the above Procedural Order No. 1 dated October 15, 2010.

I submit an "Other Issues" category be added to the Issues List, similar to Issues List for the 2010 rate year in EB-2009-0172. This would allow a place holder for other matters to be addressed that may come up during the interrogatory process and settlement conference.

Specifically, at this time, I would submit the following missing information be added to the Rate Handbook. This specific example would fall under: Other Issues; and read "Should the Rate Handbook be clarified, where applicable?" Under the Rate Handbook (Exh B, Tab 3, Sch 1), Rider H, Balancing Service Rider (p 62), In Franchise Title Transfer Service:

- (i) the fee for a BGA rollover should be specified (where a finalized BGA balance is title transferred or "rolled over" into the renewed BGA);
- (ii) where the \$169 Administration Charge is indicated for transfers between pools of dissimilar Points of Acceptance, it should also indicate an Average Cost of Transportation (from Rider A p 51) credit or debit will also apply and also specify to which party.

Yours sincerely,

Jason F. Stacey
