Attn: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2010-0002 – Hydro One Transmission 2011/12

We are counsel for the School Energy Coalition. We are writing this letter to request an extension of time for filing Final Argument in this proceeding until November 2, 2010.

While we have sought to be diligent in meeting deadlines for the many proceedings currently ongoing, the Board will be aware that we have missed two deadlines in the last couple of weeks. The juxtaposition of the OPG oral hearing and the Hydro One argument with the many LDC filings at this time of year has meant that, even after bringing in additional resources including experienced consultants, there has been a period of a few weeks where there is insufficient time available. Once the OPG hearing is complete next week, we expect that the situation will return to normal, but in the meantime the problem is acute.

An extension until Tuesday, November 2, 2010 would allow us an additional weekend to work on this, with Monday November 1st for final review and signoff. We therefore request an extension of three business days to the current deadline.

All of which is respectfully submitted.

Yours very truly,
JAY SHEPHERD P. C.
