Dear Mr. Shepherd:

**Re: Hydro One Networks Inc. 2011/2012 Electricity Transmission
Revenue Requirement and Rates - Board File No. EB-2010-0002**

The Board has received your letter of October 24, 2010, requesting an extension to the time allowed for filing your final submissions in this proceeding, until Tuesday November 2, 2010.

The Board will grant the extension to the School Energy Coalition and all other intervenors if they require a similar extension.

The Board cautions, however, that intervenors should avoid replying to any intervenor argument that was filed on time (by October 28, 2010).

The date for Hydro One's reply argument remains the same at November 12, 2010.

Yours truly,
