**Re: Letter of Direction and Notice of Application Requirements
Board File Number EB-2010-0303**

Attn: Board Secretary

In response to the Letter of Direction and Notice of Application and Written Hearing dated October 19, 2010, we hereby formally acknowledge our receipt of these documents.

In following the Board's directives, we hereby inform you that Thunder Bay Solar 1 LP, operating as a Limited Partnership entity, does not have a website available on which the Notice of Application can be posted. However, in keeping with our commitments, a copy of the application and evidence, and any amendments thereto, will be available for public review at the entity's contact address at 130 Adelaide Street, 30th Floor, Toronto Ontario. Furthermore, a copy of the application and evidence will be provided to any person or entity who requests these materials.

If you have any follow questions or concerns following this response, please do not hesitate to contact me to discuss this matter.

Sincerely,

James Pagonis,
Senior Director of Solar Projects
