In accordance with the Ontario Energy Board's Letter of Direction dated October 22, 2010, Pointe-Aux-Roches Wind Inc. ("PAR") has posted on its website the English and French versions of the Notice of Application and Written Hearing in the above noted proceeding. A screen shot from that website is attached as Appendix A. PAR has also made a copy of the application and evidence available for public review at its Markham, Ontario offices. This letter is therefore to advise the Board that PAR has satisfied the requirements of the Board's Letter of Direction.

We trust that this letter is satisfactory. An electronic copy has also been filed through RESS and emailed to the Board Secretary. Please let me know if you require any additional information.

Yours truly,
