Dear Mr. Kim:

**Re: Application for Leave to Sell Distribution Assets to PowerStream Inc.
Board File Number EB-2010-0316**

The Board has reviewed your application under section 86 1b of the *Ontario Energy Board Act*, 1998 seeking the Board's approval for leave to sell a section of the Bradford 44 kV feeder to PowerStream Inc. ("PowerStream"). Your application is currently incomplete and cannot be processed until the following has been filed:

1. Please help the Board understand why is it better if PowerStream owns it?
2. As other parties are impacted by the proposed transaction, have they been notified? If yes, please provide supporting documentations. If no, when are you planning to notify them and why?

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Upon receipt of the required information the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@oeb.gov.on.ca.

Please direct any questions relating to this application to Julie Doherty, Advisor at +1 (416) 440-8133 or e-mail, Julie.Doherty@oeb.gov.on.ca.

Yours truly,
