**Re: Union Gas Limited and Enbridge Gas Distribution Inc. - 2008 Rates
Board File No. EB-2007- 0606 / EB-2007- 0615**

In a letter to the Ontario Energy Board (the "Board") dated November 21, 2007, the Consumers Council of Canada sought clarification on the relationship between the Board's decision to amend the Practice on Cost Awards to reflect a new tariff for legal counsel and consultants, and the Board's Decision on Motion ("Decision"), dated October 15, 2007.

In its Decision, the panel indicated that if the Board were to adopt higher rates at the conclusion of the consultation on Cost Awards, the higher rates would be applied to the entire proceeding. Accordingly, the Board views the application of the new tariff as reaching back to the commencement of the EB-2007-0606/0615 proceeding.

Yours truly,
