SUBJECT: Proceeding number EB-2010-0229

I am writing with respect to the above noted proceeding to inform you that the Ontario Waterpower Association (OWA) has directly participated in development of the submissions put forward by the Association of Power Producers of Ontario (APPrO) and that the OWA supports the position expressed in APPrO's final submission in all major respects.

I trust that the collaborative approach led by APPrO in this matter has served the interests of the Board and the proceeding itself well.

Sincerely;
