Dear Ms. Walli,

I am writing with respect to the above-noted proceeding to inform you that the Canadian Wind Energy Association (CanWEA) has directly participated in development of the submissions put forward by the Association of Power Producers of Ontario (APPRO) and that CanWEA supports the position expressed in APPRO's final submission in all major respects.

I trust that the collaborative approach led by APPRO in this matter has served the interests of the Board and the proceeding.

Sincerely,
