The recipient is not a licensed distributor. - 2.6 Please identify which utility’s customers will be served by the assets after the transaction and into the foreseeable future.

The asset will continue to serve the same Hydro One customer. After the sale, the asset will be owned by the customer instead of the utility, but Hydro One will continue to supply electricity to this customer.

Re: Camp Kahquah

It is our understanding that approval is required by the Ontario Energy Board (OEB) for the sale of assets by Hydro One. **Camp Kahquah** fully supports Hydro One's actions with the Board to obtain approval of this minor transaction without a hearing.

We would like to expedite this process as ownership of the assets enables us to complete work on the campground.

Furthermore, no other party would be affected by this sale. Therefore, we would appreciate an approval of this transaction as soon as possible.

Thank you for your assistance in this matter.

Re: Camp Kahquah

Dear Mr. Winger,

This letter is to advise you of the progress that is being made regarding the sale of Hydro One assets in **Camp Kahquah**.

Based on your response to our initial letter, you have elected to purchase all assets excluding meters.

Within Camp Kahquah there is one transformer with a net book value of \$99.76 for a total purchase price of \$112.73.

Please sign below indicating your intention to purchase the assets as noted above, and return to us in the self addressed envelope. Upon receipt of the signed letter, we will proceed to obtain approval from the Ontario Energy Board. Obtaining Ontario Energy Board (OEB) approval could take 12 - 20 weeks..

After official approvals have been obtained, Camp Kahquah will proceed with the installation of their own load break switch and bring the electrical system within the park up the Electrical Safety Inspection standards, if required, as noted by the report completed by ESA. Hydro One will install a primary metering unit, to meter the park.

Camp Kahquah agrees to purchase the one transformer now owned by Hydro One, within the boundaries of the **Camp Kahquah** for a total price of \$99.76 plus HST.

Signature of **Camp Kahquah** Representative
