**Re: Correction to Notice of Proceeding on Recovery of Costs and Damages for
Late Payment Penalty Class Action Board File Number EB-2010-0295**

On October 29, 2010, the Board issued a Notice of Proceeding in the above matter.

It has since been brought to the Board's attention that the toll free number at page 6 of the Notice is incorrect. **The correct number is 1-888-632-6273.**

The Board directs all distributors who have not yet published the Notice to make the necessary correction. A copy of the corrected Notice is attached to this letter.

For those distributors who have already published the Notice or are unable to make the correction in time for publication, the Board will not require these distributors to republish the Notice. The Board regrets the error, but notes that the phone number for the Customer Relations Centre is correct, as is the fax number and feels it is therefore not necessary to republish the Notice.

Yours truly,
