Re: LEAP Emergency Financial Assistance

Dear Ms. Walli:

In accordance with the Ontario Energy Board letter dated October 20, 2010, Bluewater Power requests that The Inn of the Good Shepherd (Sarnia) Inc. (hereinafter referred to as "The Inn"), a registered charity, be the recipient of the funds from the licenced distributor related to the emergency financial assistance program. We have met with the Executive Director of The Inn and the manager of their Rent and Utility Assistance Bank; they are aware of the obligations that come with being the recipient of the LEAP funds and they are pleased to assist.

We can further advise that Bluewater Power has recently been involved in discussions with both the local United Way, and the United Way (Toronto) and have consensus that the Inn is also acceptable to be appointed as the recipient for the Late Payment Penalty settlement amount.

The contact information for The Inn is provided below:
