Dear Ms Walli:

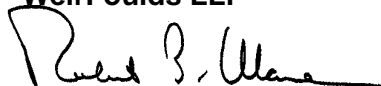

**Re: EB-2010-0148/Union's 2011 Rates/
Settlement Agreement**

We are counsel to the Consumers' Council of Canada ("CCC"). Due to conflicting obligations, neither the CCC's consultant nor counsel were able to participate in the settlement conference which took place on November 8, 2010.

We write to advise that the CCC supports the Settlement Agreement dated November 8, 2010.

Yours very truly,

WeirFoulds LLP
