HEARST, ONTARIO

November 12, 2010

Ontario Energy Board
P.O. Box 2319
27th Floor, 2300 Yonge Street
Toronto ON
M4P 1E4

Attention: Board Secretary

Dear Sir,

Re: LEAP Emergency Financial Assistance

Further to the Board's email dated October 20, 2010 concerning the above mentioned matter and the Board's request that distributors have to report to the Board by November 12, 2010, and provide the name and contact information of the chosen social agency partner, please be advised that Hearst is part of the service area of United Way of Thunder Bay.

Hearst Power has communicated with United Way of Thunder Bay who were to confirm if they will partner with Hearst Power for the LEAP program or provide an agency's name that will be willing to partner.

As of today, United Way of Thunder Bay have not communicated with Hearst Power as to their intention.

Please be advised that as soon as Hearst Power receives confirmation from United Way of Thunder Bay, Hearst Power will notify the Board.

Yours truly,

Nicole C. Leduc
General Manager
