Dear Frank Lunn:

Re: Notice of Proceeding on Recovery of Costs and Damages for Late Payment Penalty Class Action – Board File No. EB-2010-0295

Thank you for your email dated November 17, 2010 in response to the Board's Notice of Proceeding in the above matter.

Your Letter of Comment has been forwarded to the Board Panel hearing this case and will form part of the record in this case.

In your letter of comment you noted that you are opposed to the recovery of amounts "owed by you, OEB". As a matter of clarification that is not an accurate description. The amounts under review in the case are not owed by the Ontario Energy Board. The purpose of this proceeding is to determine whether electricity distributors who are named in the Late Payment Penalty Class Action should be allowed to recover from their ratepayers the costs and damages incurred as a result of the Minutes of Settlement approved on April 21, 2010 (Court File No. 94-CQ-50878) in the class action and if so, the form and timing of such recovery.

All documents in relation to this case are publically available for your review at the Ontario Energy Board's website at <http://www.oeb.gov.on.ca/html/EB-2010-0295> or at the offices of your local utility. If you need more information please contact the Ontario Energy Board's Consumer Relations Centre at 1-877-632-2727.

Yours truly,
