Ms. Kirsten Walli
Board Secretary
Ontario Energy Board

Dear Ms. Walli:

**Re: Enbridge Gas Distribution Inc.
Board File No.: EB-2010-0310**

We are in receipt of a letter dated November 12, 2010 from counsel to the Township of King (the "**Municipality**") in the above referenced matter.

Enbridge would encourage the Board to once again deny the Municipality the opportunity to address the location of the pipeline. The selection of the route was subjected to significant study and public consultation and there's been no compelling evidence provided as to why the route needs to be reconsidered.

We would ask that the Board reject the request at the earliest opportunity.

Yours truly,

AIRD & BERLIS LLP
