Re: Consultation Process EB-2007-0722, EB-2008-0150, EB-2008-0346 Leap Emergency Financial Assistance

Dear Ms. Walli;

Wasaga Distribution Inc. is providing the attached documents as per the Ontario Energy Board direction in the Letter of Direction received on this matter dated October 20, 2010.

Wasaga Distribution is to provide information regarding the social assistance agency that is going to act as the administrator of the LEAP funds. Wasaga Distribution Inc. is utilizing the Georgian Triangle Housing Resource Centre as the administrator of the program. The Georgian Triangle Housing Resource Centre is the same agency that has been proposed by Wasaga Distribution Inc. in regards to the administration of the Late Payment Plan settlement process, if it materialized in the manner that is currently expected.

There are two major reasons that the Georgian Triangle Housing Resource Centre is the agency to best deliver this service. Currently our local United Way of Collingwood is undergoing a major restructuring and in fact have the Georgian Triangle Housing Resource Centre administrating many of the other programs. Also the service territory boundaries of Wasaga Distribution encompass neighbouring communities that are not solely in the Wasaga Distribution Inc. territory. Using the Georgian Triangle Housing Resource Centre will ensure that there is a single level of administration involved in providing the LEAP service. The contact name is Ms. Gail Michaelenko at 1-705-445-0643.

If you have any further questions please feel free to contact the undersigned.

Thank you,
