Dear Mr. Barrett:

**Re: PowerStream Inc.
2010 Smart Meter Cost Recovery Application
Board File Number EB-2010-0209**

The Board has today issued a corrected version of the Decision (attached) pursuant to Rule 43.02 of the Board's *Rules of Practice and Procedure*.

The correction is on pages 19 and 20, where in the first paragraph on page 19, on the third line, the original Decision erroneously refers to "the smart meter funding adder for PowerStream's south service zone will be terminated as of **December 30, 2010**" (emphasis added). The Board notes that the correct date is December 31, 2010.

Similarly, on page 20, in the first paragraph, lines six to eight, the original Decision erroneously states, "The Disposition Rate Rider should be calculated in a manner that will recover the 2010 amounts for the January 1, 2010 to **December 30, 2010** period" (emphasis added). The Board notes that the correct date is December 31, 2010.

Yours truly,

Kirsten Walli
Board Secretary
