IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF an application by First
Solar Development (Canada) Inc. pursuant to section
74 of the *Ontario Energy Board Act*, 1998 to amend
standard offer program electricity generation licence
EG-2006-0336.

By delegation, before: Jennifer Lea

DECISION AND ORDER

First Solar Development (Canada) Inc. ("First Solar") filed an application on September 3, 2010 with the Ontario Energy Board pursuant to section 74 of the *Ontario Energy Board Act*, 1998 to amend its electricity generation licence EG-2006-0336 as a Standard Offer Program participant. The Board assigned the application file number EB-2010-0272.

The requested amendment is the removal from Schedule 1 of the licence of the generation facilities Sarnia Solar 7 and Sarnia Solar 8 located in Sarnia, Ontario. The amendment would recognize the purchase of the generation facilities by another generator licensed by the Board.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicant has consented to disposing of the application without a hearing.

I find that it is in the public interest to grant the requested licence amendment.

The amended licence will be issued when the Board receives confirmation from the applicant that the facilities have been transferred to the purchaser, and will be effective from the date of closing.

IT IS THEREFORE ORDERED THAT:

1. Schedule 1 of First Solar Development (Canada) Inc.'s electricity generation licence EG-2006-0336 will be amended to remove the two generation facilities from the licence when the Board receives confirmation from the applicant that the facilities have been transferred to the purchaser.

DATED at Toronto, November 23, 2010
