**Attention: Ms. Kirsten Walli, Board Secretary**

Dear Ms. Walli:

**Re: EB-2010-0079  
Notice of Application  
Delay in Publication**

In a letter dated November 16, 2010, the Board directed *ENWIN* to publish the Notice in the French language newspaper having the highest circulation in *ENWIN*'s service area. That newspaper is *Le Rempart*, which is a weekly publication. Per the enclosed letter, despite *ENWIN*'s best efforts and *Le Rempart*'s best intentions, a mistake was made by *Le Rempart* and as a result the Notice will not be published within 14 days of the Letter of Direction. Per the enclosed letter, it is now expected to be published 15 days after the Letter of Direction.

*ENWIN*'s position is that this delay, while unfortunate, is minor and should not affect the reasonableness of the key dates for this proceeding proposed in the Notice of Application.

Yours very truly,

***ENWIN* Utilities Ltd.**

Dear friend,

It seems that our graphic department changed the position of your ad scheduled to be published on Wednesday, November 24<sup>th</sup> in the French newspaper Le Rempart at the last minute last Friday to make space for other last minute advertising, but when they moved around some pages and material, your ad was left aside the new version on Monday, therefore was not printed in the November 24<sup>th</sup> Edition. We are sorry for this inconvenient. We will publish your Notice in our next Edition, Wednesday, December 1<sup>st</sup> 2010.

Thank you for your understanding!
