Dear Ms. Walli

Further to the Ontario Energy Board's letter of October 20, 2010, please be advised that Brantford Power Inc. has selected the Family Counselling Centre of Brant as its LEAP local agency partner.

The Family Counselling Centre is a not-for-profit agency that has delivered the Winter Warmth program for the gas distributor in the Brantford and Brant County area for several years. More recently, the Family Counselling Centre has also delivered emergency assistance during the winter heating season for our neighbouring electricity distributor, Brant County Power Inc.

The Family Counselling Centre has agreed to this partnership and has been advised of the upcoming training webcasts.

If you require any further information, please do not hesitate to contact me.

Best regards,

Heather Wyatt, MLS, MPA
