

**2008 Incentive Rate Mechanism Application  
Ontario Energy Board Staff Interrogatories for  
Oakville Hydro Electricity Distribution Inc. — EB-2007-0834**

**Ref.: 2008 IRM Model, Sheet 3**

Oakville Hydro Electricity Distribution Inc. confirms that this is an error, and the correct entry for the Monthly Service Charges for Unmetered Scattered Load, Sentinel Lightning, and Street Lightning classes should have been on a “per connection” basis in our 2008 IRM application.

OEB staff question:

**1. Monthly Rates and Charges for Unmetered Scattered Load**

A review of Oakville Hydro’s current 2007 Board approved Tariff of Rates and Charges indicates that the service charge for the Unmetered Scattered Load class is applied on a “per connection” basis, however your 2008 model does not reflect this.

Oakville Hydro answer:

The correct entry for the Monthly Service Charge for Unmetered Scattered Load is on a “per connection” basis, as our 2007 Board approved Tariff of Rates and Charges indicates.

OEB staff question:

**2. Monthly Rates and Charges for Sentinel Lighting**

A review of Oakville Hydro’s current 2007 Board approved Tariff of Rates and Charges indicates that the service charge for the Sentinel Lighting class is applied on a “per connection” basis, however your 2008 model does not reflect this.

Oakville Hydro answer:

The correct entry for the Monthly Service Charge for Sentinel Lighting is on a “per connection” basis, as our 2007 Board approved Tariff of Rates and Charges indicates.

OEB staff question:

**3. Monthly Rates and Charges for Street Lighting**

A review of Oakville Hydro's current 2007 Board approved Tariff of Rates and Charges indicates that the service charge for the Street Lighting class is applied on a "per connection" basis, however your 2008 model does not reflect this.

Oakville Hydro answer:

The correct entry for the Monthly Service Charge for Street Lighting is on a "per connection" basis, as our 2007 Board approved Tariff of Rates and Charges indicates.
