RE: IFRS IRM Working Group Nomination

Dear Sir or Madam:

Please accept this letter as written notice for Mrs. Glenda Maldonado of Brantford Power Inc. to attend the IFRS IRM Working Group, Board File No.: EB-2008-0408.

Listed below are the reasons to participate:

- Brantford Power Inc. believes it is important to contribute to the development of policies within the electricity industry and, as such, has been established as a utility that encourages involvement by their employees.
- Brantford Power Inc. encourages professional development for their employees and OEB working groups are an excellent opportunity to do this.
- Glenda has participated in past IFRS workshops and seminars hosted by the OEB, the EDA and the Strategy Institute. As a result, Glenda has developed extensive knowledge of the IFRS requirements.
- Brantford Power as a medium size LDC in Ontario can help bring to the OEB the perspective of IFRS implications and issues to the mid size LDCs.

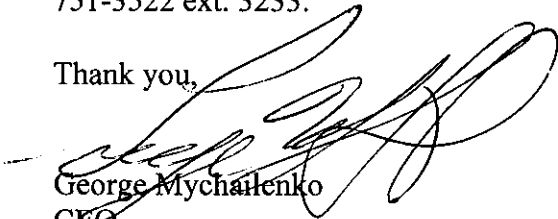

Glenda's contact information is as follows:
