**Re: Union Gas Limited and Enbridge Gas Distribution Inc.
2008 Rates Application
Board File Nos. EB-2007-0606 / EB-2007-0615**

In Procedural Order No. 10, issued by the Ontario Energy Board (the "Board") on December 3, 2007, the Board made provisions for intervenors to receive a copy of the Reporting and Record Keeping Requirements ("RRR") materials that Union Gas Limited ("Union") had filed in this proceeding. Specifically, the Board ordered that the RRR filings be provided to parties that signed the Board's Undertaking of Confidentiality.

By way of letter dated November 30, 2007, Union indicated that it was preparing to file its 3rd quarter RRR filing, and sought the Board's direction on how these could be provided to the intervenors.

The Board directs Union to provide the 3rd quarter RRR filing to those intervenors that have signed the Board's Undertaking of Confidentiality. Intervenor use of the 3rd quarter RRR filing is subject to the same restrictions that were enumerated for the previously filed RRR materials.

Yours truly,
