**Re: EB-2010-0055 LIEN support for Union Gas Limited's Incremental 2011 Low-Income DSM Plan**

Dear Ms. Walli,

The Low-Income Energy Network (LIEN) is writing to express our support for the Union Gas Incremental 2011 Low-Income DSM Plan. This Plan is an appropriate plan for the 2011 transition year between the existing DSM framework and the new framework expected for 2012 and beyond. Support of this 2011 plan does not necessarily reflect LIEN's view of future low-income plans to be developed under the new DSM framework.

LIEN would also like to congratulate both Enbridge and Union on the consultation process that was employed in the development of this transition plan.

Sincerely,

**Zee Bhanji**  
Coordinator
