Re: **EB-2010-0331 and EB-2010-0332**

**NOTICE OF APPLICATION AND HEARING HYDRO ONE BRAMPTON NETWORKS INC. and
HYDRO ONE NETWORKS INC. 2011-2014 BOARD-APPROVED CONSERVATION AND DEMAND
MANAGEMENT PROGRAMS**

Hydro Ottawa Limited ("Hydro Ottawa") requests intervenor status in the above referenced Proceedings. Hydro Ottawa is a distributor operating under licence ED-2002-0556 within the City of Ottawa and the Village of Casselman and receives the majority of its electricity through the transmission grid owned by Hydro One Networks Inc. ("Hydro One"). As such, Hydro Ottawa has a direct interest in these proceedings and the Board's decision on whether to allow Conservation and Demand Management ("CDM") programs to be funded by all provincial ratepayers through the Global Adjustment Mechanism through the IESO billing.

In addition, Hydro Ottawa is considering adopting some of the Tier 2 programs being proposed by Hydro One and Hydro One Brampton Networks Inc. and therefore wishes to participate in the review of these programs.

As directed in the Notice of Application, the following further details are provided.

1. The representative for this Proceeding will be:

Jane Scott
A/Director, Regulatory Affairs
Hydro Ottawa
3025 Albion Road North PO Box 8700
Ottawa, Ontario K1G 3S4
Phone: 613-738-5499 ext 7499
Fax: 613-738-5485

e-mail: janescott@hydroottawa.com

2. Hydro Ottawa does not have a preference between a written or oral hearing.
3. Hydro Ottawa does not intend to seek cost awards for this Proceeding.
4. Hydro Ottawa only wishes to receive electronic copies of the evidence and other material submitted by participants in the hearing.

Yours truly,

Original signed by:

Jane Scott
A/Director, Regulatory Affairs
