Dear Mr. Dyck:

**Re: Application for Electricity Generation Licence
Standard Offer Program
Board File Number EB-2010-0356**

The Board has reviewed your application for an electricity generation licence under the standard offer program licence. Your application is currently incomplete and cannot be processed until the following has been filed:

Starwood SSM2 Canada Incorporated submitted a cheque in the amount of \$800 in respect of the non-refundable application fee. Recently the Board increased the amount of the application fee to \$1,000. Please submit a cheque or money order made payable to the Ontario Energy Board in the amount of \$200 to cover the application fee short payment.

The Board will resume processing your application once the application fee is submitted in full.

Upon receipt of the required amount the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.

Please direct any questions relating to this application to Irina Kuznetsova, Advisor at +1 (416) 440-8138 or e-mail, Irina.Kuznetsova@oeb.gov.on.ca.

Yours truly,
