December 2, 2010

Ms. Kirsten Walli, Board Secretary
Ontario Energy Board
2300 Yonge Street
27th Floor
Toronto, Ontario
M4P 1E4

Dear Ms. Walli:

Re: EB-2009-0278 – Algoma Power Inc. ("API")

Please see the attached proposed amendment to the revised settlement proposal in the above-referenced matter. With the support of the intervenors, API is proposing to mitigate total bill impacts for its Street Lighting class of customers by transitioning from the current cost to revenue ratio to the lower boundary of the Board's Guideline over a five year period (20% per year).

Sincerely,

Andrew Taylor
