Board File No. EB-2010-0008
Payment Amounts for Ontario Power Generation Inc.'s Prescribed Facilities
Energy Probe Request for Extension

Energy Probe Research Foundation (Energy Probe) has had the opportunity to review the letters to the Board from both the counsel for CME and the counsel for SEC filed earlier today.

The preparation of the Argument in this proceeding is presenting difficulties for Energy Probe. Mr. Faye, Mr Schwartz and Mr. Rubin have all been drafting Energy Probe's Final Argument. Mr. Faye has been out of town and Mr. Rubin underwent heart surgery on December 1st. While Mr. Rubin worked to complete his draft prior to his operation and the heart surgery was successful, Energy Probe would appreciate it if he had an opportunity to review the entire Argument before submission. Therefore, we request that the Board grant us a 48-hour extension.

Should you require additional information, please do not hesitate to contact me.

Yours truly,

David S. MacIntosh
Case Manager
