Dear Mr. Harding:

**Re: Clinton Power Corporation
2008 Incentive Regulation Mechanism (2008 IRM) Rate Application
Board File Number EB-2007-0904**

This letter acknowledges the Board's receipt, on December 3, 2007, of the additional information requested by the Board in a letter dated November 19, 2007 to complete your application.

As your application includes a request for an out-of-period rate increase the application goes beyond the typical IRM format and the Notice and process would have to reflect this. The Notice will also make provision for interventions, and indicate that any intervenors eligible for costs will be awarded costs. Based on the Board's experience with applications of this nature, the Board expects that it may be able to render a decision on or about June 5, 2008.

The Board will issue further correspondence indicating the next steps to be taken in this matter and corresponding dates.

Please direct any questions relating to this application to Roy Hrab at (416) 440-7745, or by e-mail at Roy.Hrab@oeb.gov.on.ca.

Yours truly,

John Pickernell
