**NOTICE OF APPLICATION AND HEARING
INDEPENDENT ELECTRICITY SYSTEM OPERATOR
FISCAL 2011 FEES SUBMISSION FOR REVIEW**

The Independent Electricity System Operator (the "IESO") has filed its fiscal 2011 proposed revenue requirements, expenditures and fees for review by the Ontario Energy Board in accordance with sections 18 and 19 of the *Electricity Act, 1998*. The IESO manages Ontario's electricity system and operates the wholesale electricity market.

The IESO is seeking the following approvals from the Board:

- a proposed 2011 revenue requirement of \$126.0 million;
- a proposed 2011 capital expenditure envelope of \$21.5 million for capital plans;
- continuation of the current usage fee of \$0.822/MWh;
- continuation of the \$1,000 application fee; and
- approval to retain the accumulated surplus from the 2010 fiscal year, currently forecast at \$13.1 million, to assist in rate stabilization and to address the higher than normal risk that energy volumes will be lower than assumed over the planning period.

The Board has assigned File No. EB-2010-0046 to this application.

Copies of the Application and pre-filed evidence are available for inspection:

Written Hearing

The Board intends to proceed with this matter by way of a written hearing unless a party satisfies the Board that there is a good reason for not holding a written hearing.

If you object to the Board holding a written hearing in this matter, you must provide written reasons why an oral hearing is necessary. Any submissions objecting to a written hearing must be received by the Board and copied to the applicant within **10 days** of the publication or service date of this notice. If you are applying for intervenor status and you are objecting to the Board holding a written hearing, your letter of intervention must include your reasons for why an oral hearing is necessary.

How to Participate

You may participate in this proceeding in one of three ways:

1. Become an Intervenor

Intervenors participate actively in the proceeding (i.e., submit written questions, evidence, and arguments, and cross-examine witnesses at an oral hearing).

A request for intervenor status must be made by letter of intervention and be received by the Board no later than **10 days** from the publication or service date of this notice. A letter of intervention must include: (a) a description of how you are, or may be, affected by the outcome of this proceeding; (b) if you represent a group, a description of the group and its membership; and (c) whether you intend to seek an award of costs and the grounds for your cost award eligibility.

You must provide a copy of your letter of intervention to the applicant.

Everything an intervenor files with the Board, including the intervenor's name and contact information, will be placed on the public record, which means that all filings will be available for viewing at the Board's offices and will be placed on the Board's website.

If you already have a user ID, please submit your intervention request through the Board's web portal at www.errr.oeb.gov.on.ca. Additionally, two paper copies must be submitted to the address set out below.

If you do not have a user ID, visit the Board's website under e-Filing Services and complete a user ID/password request form. For instructions on how to submit documents and naming conventions please refer to the RESS Document Guidelines found at www.oeb.gov.on.ca/OEB/Industry, e-Filing Services.

The Board also accepts interventions by e-mail, at the address below, and again, two additional paper copies are required. Those who do not have internet access are required to submit their intervention request on a CD in PDF format, along with two paper copies.

2. Send a Letter with your Comments to the Board

If you wish to comment on the proceeding without becoming an intervenor, you may submit a letter of comment to the Board Secretary.

All letters of comment sent to the Board will be placed on the public record, which means that the letters will be available for viewing at the Board's offices and will be placed on the Board's website.

Before placing the letter of comment on the public record, the Board will remove any personal (i.e., not business) contact information from the letter of comment (i.e., the address, fax number, phone number, and e-mail address of the individual). However, the name of the individual and the content of the letter of comment will become part of the public record.

A complete copy of your letter of comment, including your name, contact information, and the content of the letter, will be provided to the applicant and the Hearing Panel. Your letter of comment must be received by the Board no later than **30 days** from the publication or service date of this notice. The Board accepts letters of comment by either post or e-mail at the addresses below.

3. Become an Observer

Observers do not participate actively in the proceeding but receive documents issued by the Board in the proceeding. There is no fee for observers to receive documents issued by the Board.

A request for observer status must be made in writing and be received by the Board no later than **10 days** from the publication or service date of this notice. The Board accepts observer request letters by either post or e-mail at the addresses below.

All letters requesting observer status will become part of the public record, which means that the letters will be available for viewing at the Board's offices and will be placed on the Board's website.

Before placing the request for observer status on the public record, the Board will remove any personal (i.e., not business) contact information from the request (i.e., the address, fax number, phone number, and e-mail address of the individual). However, the name of the individual and the content of the request for observer status will become part of the public record.

Observers may also request documents filed by the applicant and other parties to the proceeding but must request these documents directly from the relevant party. Observers may be required to pay for the costs of reproducing and delivering the material.

Most documents filed in this application will also be available on the Board's website.
