Dear Ms. Walli:

**Re: EB-2010-0008 - Ontario Power Generation Inc. ("OPG")
2011-2012 Payment Amounts for Prescribed Facilities**

Further to our letter of earlier today, we have received a letter from Robert Warren, counsel to the Consumers Council of Canada ("CCC"), also requesting a 2 day extension for submission of argument. As indicated in his letter, Mr. Warren had previously informed OPG that he would be unable to file final argument until Tuesday December 7 due to an unexpected medical procedure. As this circumstance is not of Mr. Warren's making, OPG does not object to CCC, and only CCC, filing its argument on December 7. OPG opposes Mr. Warren's request for a 48 hour extension to Wednesday December 8 for the reasons providing in our earlier letter.

Yours truly,
