Dear Ms. Walli:

**Re: Brant Power Inc. Notice of Application for Rate Change
Board File No.: EB-2010-0066**

We are counsel to Brant County Power Inc. ("BCP").

We are in receipt of the Notice of Application and Hearing for Electricity Distribution Rate Change in the above mentioned proceeding. BCP hereby requests intervenor status for the proceeding. BCP is an embedded distribution within the services territory and the largest ratepayer of Brantford Power Inc. and will be directly affected by the rates imposed by this hearing.

BCP has not yet reviewed the Application but does not anticipate a need to be an active intervenor given the nature of the Application. However, BCP reserves its rights for full participation in accordance with the Board's Procedural Orders. BCP would request that it would receive a copy of all materials related to this proceeding and that such copies be sent to the following:
