Dear Ms. Walli:

Re: Ontario Power Authority Proposed Fiscal 2011 Expenditure and Revenue
Requirement Submission (EB-2010-0279)

I am writing on behalf of the Association of Power Producers of Ontario ("APPRO") to request late intervenor status in the above noted proceeding.

APPRO is a non-profit organization representing companies involved in the generation of electricity in Ontario. APPRO members generate electricity from nuclear, fossil, hydro-electric, wind, solar, waste wood and other fuels, and currently produce over 95% of the electricity made in Ontario. They are active participants in the Ontario electricity sector and will be impacted by the outcome of this proceeding.

APPRO does not intend to seek an award of its costs in this matter.

I would appreciate having all notices with respect to the proceeding, and copies of all submissions, delivered to the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read 'David Butters', enclosed within a large, loopy oval stroke.
