Dear Ms. Walli:

**Re: Enbridge Gas Distribution Inc. (“Enbridge”)
Request for Extension in Submission of Response to Interrogatories
Board File No.: EB-2010-0241 Torbram Road Relocation Project**

Procedural Order No. 1 requires Enbridge to provide complete responses to the Interrogatories no later than Tuesday, December 14, 2010.

Enbridge requests an extension to the time for submission of the responses to the Interrogatories to Thursday, December 16, 2010. The Project Team required to provide the necessary information has been unavailable due to construction field work on a related project. The additional time will allow Enbridge to have the appropriate personnel available.

Enbridge would of course anticipate that such request, if granted, would be reflected in the remaining timelines contained in Procedural Order No. 1.

Yours truly,

AIRD & BERLIS LLP
