Dear Ms Walli,

Union Gas Limited (“Union”)
Pre-Approval of Cost Consequences of Three Long-Term Transportation Contracts
A request for update to Union’s response to CME Interrogatory No. 7
Board File No.: EB-2010-0300
Our File No.: 339583-000090

TransCanada PipeLines Limited (“TCPL”) recently filed an Application with the National Energy Board (“NEB”) for approval of interim tolls effective January 1, 2011.

We are writing to request that Union update its response to Attachments 1 and 2 of CME Interrogatory No. 7, Exhibit B2.7, to show the results of using the long-haul and short-haul interim tolls TCPL is asking the Board to approve effective January 1, 2011. This request is in accordance with Union’s response to CME Interrogatory No. 5, Exhibit B2.5, wherein Union indicated that information in TCPL’s Application to the NEB would be disclosed once the Application had been filed.

Please let us know if any further information is required to support this request for an updated response to CME Interrogatory No. 7.

Yours very truly,

A handwritten signature in black ink, appearing to read 'P. Thompson', with a long horizontal flourish extending to the right.
