

**EB-2009-0077**

**IN THE MATTER OF** the *Ontario Energy Board Act, 1998*,  
S.O. 1998, c. 15, Schedule B;

**AND IN THE MATTER OF** cost awards for interested parties  
in a consultation process regarding amendments to the  
Distribution System Code associated with cost responsibility  
for renewable generation connections to distribution  
systems.

**BEFORE:** Paul Sommerville  
Presiding Member

### **SUPPLEMENTARY DECISION AND ORDER ON COST AWARDS**

On November 16, 2010 the Board issued a Decision and Order on Cost Awards in relation to costs for this consultation process.

On November 17, 2010, the Board received a cost claim from School Energy Coalition ("SEC"). SEC indicated that an administrative error resulted in the failure of SEC to submit its cost claim for this consultation.

In accordance with the Board's Decision on Cost Eligibility, issued June 29, 2009, SEC is eligible for an award of costs in this consultation

The Board determined that it would accept the cost claim filed by SEC and issued a letter, dated December 1, 2010, providing all licensed electricity distributors with the opportunity to file with the Board objections to any aspect of the costs claimed by SEC.

No objections to the cost claim submitted by SEC were received by the Board.

## **Board Findings on the SEC Cost Claim**

The cost claim filed by SEC is within the approved limits set by the Board for each of the activities for which cost awards are available in relation to this consultation as listed in the Board's August 3, 2010 Notice of Hearing for Cost Awards.

The Board finds that SEC is entitled to 100% of its reasonably incurred costs of participating in this consultation.

The amount payable by each individual licensed distributor in relation to costs awarded to each eligible participant is listed in Appendix A to this Decision and Order.

## **Process for Paying the Cost Awards**

As stated in materials issued in this consultation, the Board will use the process set out in section 12 of its *Practice Direction on Cost Awards* to implement the payment of the cost awards. Therefore, the Board will act as a clearing house for all payments of cost awards relating to this consultation process. Invoices will be issued to licensed distributors at the same time as are invoices for cost assessments made under section 26 of the *Ontario Energy Board Act, 1998*. The practice of the Board is to issue to each distributor one invoice that covers all cost awards payable by that licensed distributor for the relevant period. As a result, the invoice may cover cost awards payable in relation to a number of consultations, including this one.

## **THE BOARD THEREFORE ORDERS THAT:**

1. The amounts to be paid by each individual licensed distributor in relation to the costs awarded to SEC are as set out in Appendix A to this Decision and Order.
2. The individual licensed distributors listed in Appendix A to this Decision and Order shall pay the costs awarded to SEC as set out in Appendix A.
3. Payment of cost awards referred to in paragraph 2 shall be made to the Ontario Energy Board in accordance with the invoice issued to the individual licensed distributor, and shall be due at the same time as cost assessments under section 26 of the *Ontario Energy Board Act, 1998* are due.
