Re: Union Gas Limited ("Union")
Leave to Construct

Thank you for your consultation request to Alderville First Nation regarding the **Notice of Application and Written Hearing For Leave to Construct Natural Gas Pipeline to Supply Gas to the Canadian Forces Base Trenton in the City of Quinte West, County of Hastings**, which is being proposed within our Traditional and Treaty Territory. We appreciate the fact that **The Ontario Energy Board** recognizes the importance of First Nations Consultation and that your office is conforming to the requirements within the Duty to Consult Process.

As per the Alderville First Nation Consultation Protocol, your proposed project is deemed a level 3, having minimal potential to impact our First Nations' rights, therefore, please keep Alderville apprised of any archaeological findings, burial sites or any environmental impacts, should any occur.

In good faith and respect,

Dave Simpson
