**Re: Ontario Power Generation Inc.  
2011-2012 Payment Amounts for Prescribed Generation Facilities  
Board File Number EB-2010-0008**

On December 6, 2010, the Association of Major Power Consumers in Ontario (“AMPCO”) filed its submission in the above noted proceeding with the Board. That submission was filed in confidence. On or about December 6, 2010, AMPCO also filed a redacted version of the submission for the public record. On December 15, 2010, the Board received correspondence from OPG identifying that a breach of the Decision on Confidentiality and Procedural Order No. 12 had occurred with respect to the redacted version. AMPCO advised the Board on December 16, 2010 that the breach was inadvertent and was due to AMPCO’s rush to meet the submission filing deadline.

All persons who received the redacted version of the AMPCO submission are instructed to permanently delete the document and to destroy any hard copies, and to file a certificate of destruction with the Board Secretary by December 24, 2010. Parties will use the Form of Certificate and Destruction which can be found at Appendix E of the Board’s [Practice Direction on Confidential Filings](#).

On August 16, 2010, the Board ordered counsel for the School Energy Coalition to make a personal payment of \$10,000 towards the Board’s costs in this proceeding, for a breach of the Undertaking. The Board is considering a similar sanction for AMPCO in the current matter. As the letter filed by AMPCO on December 16, 2010 did not identify a person responsible for the breach, the Board will assume the proposed sanction would apply to the signatory of the submission, the counsel for AMPCO. The Board would like to receive a written submission from AMPCO regarding the proposed sanction by December 24, 2010.

AMPCO is instructed to revise its submission such that the redactions are consistent with the Decision on Confidentiality and Procedural Order No. 12, and to file the redacted submission with the Board.

Yours truly,
