**AND IN THE MATTER OF** an application by Kenora Hydro  
Electric Corporation Ltd. for an order approving just and

to be effective May 1, 2011.

### **PROCEDURAL ORDER No. 1**

Kenora Hydro Electric Corporation Ltd. ("Kenora Hydro") filed an application with the Ontario Energy Board (the "Board") on November 01, 2010 under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), seeking approval for changes to the rates that Kenora Hydro charges for electricity distribution, to be effective May 1, 2011. The Board has assigned the File Number EB-2010-0135 to this application.

The Board issued a Notice of Application and Hearing on November 23, 2010. The Vulnerable Energy Consumers Coalition ("VECC") applied for intervenor status and cost eligibility. No objections were received.

The Board has determined that VECC will be granted intervenor status and is eligible to apply for an award of costs under the Board's *Practice Direction on Cost Awards*. The intervenor listing for this proceeding is attached as Appendix A to this Order.

At this time the Board intends to proceed with its review of this application by way of a written hearing. The Notice of Application indicated that the Board may provide for an oral component. This may be in the form of a technical conference or an oral hearing.

The Board has decided to make provision at this time for written interrogatories. After its review of the responses, the Board will determine the next steps including whether provision should be made for additional interrogatories, a technical conference, or a settlement conference, after which the Board will determine whether to conduct an oral hearing or to make provision for written final submissions.

This Procedural Order addresses the first round of interrogatories process. Please note that this Procedural Order may be amended, and further procedural orders may be issued from time to time.
